The Power-Out Card: First Hour

- [ ] Stay calm and stay put
- [ ] Look outside: whole street or only my house?
- [ ] Count heads and check on anyone who needs care
- [ ] Medical equipment: check the battery and call early if a life depends on it
- [ ] Set up battery lights, no open flame if possible
- [ ] Sniff for gas: if yes, leave and call from outside
- [ ] Test the carbon monoxide and smoke alarms
- [ ] Keep fridge and freezer doors shut
- [ ] Write the outage time on paper
- [ ] Phone on low power mode, text not call
- [ ] Fill clean water containers if the tap still runs
- [ ] Choose one warm or cool room
- [ ] Stay clear of downed power lines and report them
- [ ] Do not use elevators

Keep this card where you can find it in the dark, and read it aloud if you feel rushed.
